

Quality Policy

The TRX Quality Policy provides a framework for the setting and review of company and project objectives. The Policy and associated derived objectives intend to ensure TRX maintains our customer-centric focus, consistently improves our delivery, and provides a rewarding and productive work environment for our Team Members. The Policy also supports our goals to satisfy regulatory, security, and legal requirements and reinforces our commitment to continually improving our management systems.

TRX has produced quality objectives which relate to this policy.

This Quality policy is available/communicated to all interested parties as well as being made available to the wider community through publication on our Website and Company Noticeboard.
